to take control of them. He will make a great family pet. He is very protective of his pack and loves women and children. Russell needs a home with a stockade fence and, initially, no other pets. He is extremely smart and takes corrections well. He is neutered and

up-to-date on shots. If you would like to meet him, please call the Trumbull Canine Shelter at 203-452-5088. The Shelter is located on Church Hill Road in Trumbull and is open Monday thru Friday 10 am to 3:30 pm and Saturday 11 am to 3 pm.

Kitty

Kitty is a 8 year old, 8 pound female grey tiger cat. Her elderly owner recently passed away leaving her in need of a loving home. Kitty is sweet, lovable and extremely affectionate.

She loves lots of attention and is a little snuggler. She has the softest fur and biggest green eyes. She appears to be a little unsure of other cats, as she has been an 'only child' her whole life. She is current on vaccines, and is anxious to find her new family.

CELEBRATE DOG OWNERSHIP

Dog lovers, mark your calendar! On September 20, The Trap Falls Kennel Club of Shelton will host an American Kennel Club sponsored *Responsible Dog Ownership Day* at Old Mine Park in Trumbull. The Day is free to the public and their pets (mixed breeds welcome).

Responsible Dog Ownership Day is part of a month-long celebration involving hundreds of organizations throughout the U.S. Their goal is to educate the first-time dog owners about the responsibilities of dog ownership, and help current owners enhance their relationships with their pets.

A Parade of Breeds of TFKC members will kick-off the day at 10am. There will also be canine frisbee and fly ball demonstrations, and competition by dogs and owners in AKC sanctioned matches in Obedience and Rally.

Local dogs will also have the opportunity to showoff their talents and compete for the coveted title of Best Tail Wagger, Best Kisser, Most Obedient and Best Trick, starting at 11:30 am.

There will also be a clinic on micro-chipping, and the TFKC will offer

Canine Good Citizen Testing. All successful applicants will receive a Canine Good Citizen Certificate.
